Dear Hal + Jil,

Check enclosed. Hope I added it all correctly. As soon as I can, I'll get to my engraving again + make the plates for the files. When it's all done, we'll take a picture. Now, we have everything for the station except the station!

Again, I can't thank you both enough for the cabinets. I'm so glad it all worked out + we do treasure them. We look forward to getting the sorter soon. Hope we get to see you soon.

Love,

Jodi
